The Black Eyed Peas

sold 35 millions of albums and 21 millions of singles.

It's an American hip-hop band composed of Will.i.am, Apl.de.ap, Fergie and Taboo. They are influenced by electro, R'n'B, funk, Latino and jazz rhythms. In 1989, the two rappers Will.i.am and Apl.de.ap met in the breakcore band "Tribal Nation". They decided to form together an hip-hop group called "Atban Klann". In 1992, they recorded songs then on Eazy-E's label. In 1995, after Eazy-E's death they found a new DJ and dancer: Taboo.

In 1998, they released an album called Behind the Front with the singer Kim Hill but which wasn't very successful. In 2003, Kim Hill was replaced by Fergie and they recorded "Elephunk". In 2005 they separated to let a chance to each other to have his or her own career.

They gathered in 2009 to record the electro album: "The E.N.D.". In 2010, they

SOULJA BOY'S LIFE

The dancer, producer (S.O.D money gang label) and singer .DeAndre Way (A.K.A : Also Known As Soulja Boy), was born the July, 28th in 1990 in Chicago, Illinois. He recorded three albums and became famous for the songs: "Crank that" and " Kiss me thru the phone". He's the creator of the brad "Yum's"

He was raised by his mother and his grandmother and came from a very poor family. DeAndre moved to Atlanta, at the age of 6, and developed a love for rap music. In 2004, he moved to Mississippi, where lived his father, and thanks to his laptop computer he made videos. Then he met Arab, they became friends. .DeAndre began writing texts. At the age of 16, he recorded his first songs. After success and awards in 2007, Soulja Boy was criticized a lot by other rappers but he came back in 2010 and his single "Pretty boy Swag" was ranked the 8th better rap song. In 2010, he was the 18th richer rapper
